Personal Information

Date of Birth 25/01/1994
Place of Birth New Orleans, Louisiana, USA
Nationality USA

Education

- 10/2017–09/2020 **Master of Science, Economics, LMU, Munich, Germany, 1.9.**
- Concentrated on taking lectures and seminars dealing with econometrics and data analysis
 - Thesis: "Discrimination in Disaster: The Impact of Racial and Socioeconomic Factors on FEMA Flood Zones" – Grade: 1.0
 - Made use of Python, R, and ArcGIS to examine whether flood zone designation in the US is influenced not only by environmental but also socio-demographic factors
- 09/2012–05/2016 **Bachelor of Arts, Interdisciplinary Math & Economics, Fordham University, Bronx, New York, 3.73 (German equivalent: 1.3).**
- Obtained best GPA within major
 - Inducted into Phi Beta Kappa, the oldest honor society for academics in the US
- 08/2018–05/2012 **High School Diploma, Jesuit High School, New Orleans, USA.**

Experience

- 06/2020–12/2020 **Volunteer, NextGen IP, New Orleans, USA.**
- Foundation designing a school program to help students in grades K-12 to file their own patents
 - Identified potential methods to evaluate the efficacy of the program through statistical means like regression and classification
 - Helped compose an application for a US government contract in order to fund and implement program
- 05/2016–09/2017 **Legal Assistant, Donovan & Lawler Law Firm, Metairie, USA.**
- Utilized spreadsheet software in order to monitor information for numerous cases and to create helpful graphics like timelines
 - Read deposition transcripts and condensed them into functional summaries of the critical points
- 08/2015–12/2015 **Data Collector, Bronx Community Development Initiative, Bronx, USA.**
- Surveyed hundreds of residents of the Bronx, obtaining information about their demographics and their socioeconomic situation
 - Summarized the data from these surveys into reports, which were used to determine what type of locally-owned business could succeed in the neighborhood
